

The Goring Launches Garden-Themed Stay to Mark the Postponed RHS Chelsea Flower Show 2021

The Goring Garden Stay for Two includes One Night's Accommodation in a Superior Room with Guaranteed Upgrade, Full English Breakfast, Afternoon Tea, Garden Cocktails, and Tickets to Neighbouring Chelsea Physic Garden

London – (March 2021) – To mark what would have been Chelsea Flower Show 2021 (the world's greatest annual flower show has been held in Chelsea since 1912, but is sadly postponed due to the pandemic) The Goring is honouring the week with their own garden-themed stay experience, celebrating all things floral. From 18–23 May 2021 "The Goring Garden Stay" for two includes one night's accommodation in a Superior Room with a guaranteed upgrade, full English breakfast, afternoon tea, garden cocktails, and tickets to neighbouring Chelsea Physic Garden.

There is no better place to sip cocktails than The Goring Garden – an exquisite floral oasis perfect for retreating from the hubbub of London. The Goring Garden is one of the finest – and largest – private gardens in London. Harmonising the refreshing tranquillity of open green space with the intimacy of a secret garden; delicately scented during the warmer months. Guests may opt for a room that looks out over the manicured lawn to ensure a garden and floral displays are never out of sight. A complete redesign of the garden space in 2019 saw more than one hundred herbs planted in the garden to create home-made botanical infusions for The Goring's cocktails and to provide the freshest flavours and flowers to the food served in The Dining Room, holder of a Michelin star and three AA Rosettes. The Goring Garden truly is one of London's most beautiful hidden hideaways.

Guests can stroll to Chelsea Physic Garden – the oldest botanic garden in London – where they can walk amongst 5,000 different medicinal, herbal, edible, and useful plants. The Garden's unique microclimate and location has allowed many gardeners throughout history to grow plants not frequently found outside in the UK, including the UK's largest fruiting olive tree. In 1976 the head gardener collected a record crop of 7lb of ripe olives, which is a London crop record! Chelsea is no longer a village, but the Garden's location still feels special and has been a huge factor in its success to this day.

The Goring Garden stay for two includes one night's accommodation in a Superior Room with a guaranteed upgrade at the time of booking, full English breakfast, afternoon tea, garden cocktails, and tickets to The Chelsea Physic Garden. Prices from £585.00 per night.
